

Sports Premium Strategy Statement – 2023/24

Key achievements to date until July 2023:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> Increased participation in sports activities compared to 2021/22. Spare kit has meant that no child misses out on PE or swimming lessons. School topped the 'Walk to school' leaderboard The profile of sport has been raised across the school: Games Mark Silver Award achieved, school is medium sized schools' athletics champions in Y5 and Y6 Pupils have engaged in 10 different sports both competitively and as after school clubs. The range of sports on offer at lunchtime has also broadened and includes the opportunity to practise skills from the unit being taught in PE. Outdoor and adventurous activities included: archery, bush craft, laser tag, climbing wall and dexterity challenges. Pupils have developed their leadership skills through the role of lunchtime sports captains. At inspection, the PE curriculum was recognised as robust and in depth. The transition to a new subject lead was noted as effective. School has joined a local cluster to further develop opportunities for competitive sports in 2023/24 Intra school, mixed gender competitions held around men's and women's World Cup OSF funding successfully secured to partner with SCL and develop opportunities for improving the physical and mental wellbeing of the local community 	<ul style="list-style-type: none"> Continue to develop ways of increasing the physical activity of pupils and their families who are reluctant to exercise. Further establish the PEN project 'Active Families' run by parent champions to encourage families to identify ways of being more active. Further develop parental use of the Daily Mile track and family participation in sport through the Marlborough Road Hub Further develop participation in competitive sports opportunities against other schools via newly joined cluster Continue to promote diversity and inclusion in sport, to provide positive role models to pupils. Further develop pupil leadership of sport through the 'Sports Crew' initiative.

Meeting national curriculum requirements for swimming and water safety.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.	43%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and	25%

breaststroke]?	
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	13%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

Action Plan and Budget Tracking
Annual planned spend against the 5 key indicators.

Academic Year: 2023/24	Total fund allocated: £18,250	Date Updated: July 2024		
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: 39%
Intent	Implementation		Impact	
To increase pupil participation in all sports activities.	Spare kit to be available so that no child misses out on a physical activity. This includes swimming hats so that all children are allowed to participate in their swimming lesson.	Funding allocated: Swim costumes £105	100% of children have taken part in their regular physical activity and have not missed opportunities to develop skills.	Sustainability and suggested next steps: Stocks of swimming trunks/shorts are low and need to be replenished to allow full access
To ensure that an increasing number of pupils in Y4 learn to swim at least 25m, can use a range of strokes and rescue themselves from water	Top up swimming lessons provided, so that all pupils attend swimming lessons for an hour a week, rather than 30 mins and complete a total of 36 hours instruction as opposed to the recommended 25 hours.	£3,550	Assessment data from Salford Leisure indicates that an increasing number of pupils are meeting the national standard for swimming at the end of K.S 2 year on year. 2023 = 30% 2024 = 43%	Sustainability and suggested next steps: Continue with this strategy. Pupils do not swim outside of school and additional instruction ensures an increasing % have sufficient swimming ability by the end of the year.
Continue to develop ways of increasing the physical activity of all pupils and their families, but especially those who are reluctant to exercise	Develop 'Red Pepper' project to encourage families to identify ways of being more active and combining this with healthy eating.	Release of family liaison officer 2hrs per week £2840 Resources	All of the families involved in the project have completed it successfully. Regular signposting via the community hub to events that will increase family levels of activity	Sustainability and suggested next steps: This is now the remit of the community hub and so does not need to form part of this plan moving forward

<p>Embed physical activity into the school day through active travel to and from school.</p> <p>Pupils and their families have a positive experience of physical activity as a way of spending quality time together and developing healthy lifestyle habits</p>	<p>Further increase number of pupils using the daily mile track with their parents at the start and end of the school day.</p> <p>Introduce incentive scheme whereby parents receive a raffle ticket each time they participate with their children and tickets are entered into a prize draw.</p>	<p>£100</p>	<p>Exit data shows that pupils and families involved in the project have increased the amount of physical activity they do and the nature of their diet.</p> <p>100% of pupils have used the daily mile track</p> <p>Families identified as struggling to stay both physically and mentally healthy are attending school regularly</p>	
<p>Best practice will be shared and will be used to improve current PE and school sport provision.</p> <p>Attend the annual SSP conference at Lancashire CCC</p>	<p>Book onto meeting – subject leader attending. Follow up training for whole school staff</p> <p>Share latest information with Staff through staff meetings and PE action plan</p> <p>Plan for opportunities to deliver current initiatives</p>	<p>£200 Cover to attend conference</p> <p>Training £200</p>	<p>PE lead attended the meeting</p> <p>Information has been shared with ST and staff</p> <p>Evaluated Action plan shows information around latest developments in PE/Sport acted upon</p> <p>Feedback from implementation of initiatives shows pupils have an increasingly positive attitude towards sport and physical activity.</p> <p>School has been awarded School Games Mark Gold</p>	<p>Sustainability and suggested next steps: Important opportunity for staff training and for PE lead to stay up to date with best practice and to share this with the wider staff body.</p>

<p>Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement</p>	<p>Percentage of total allocation:</p> <p>29%</p>

	Sports crew take a leadership role in planning sports day 2024 and in the management of sporting fixtures/equipment/kit	Release time for PE lead for planning with sports crew £250	contribution to raising the profile of sport in school and increasing the number of participants. Sports Crew have lead events at sports day and competitive interschool fixtures	number of teams participating in inter school fixtures increases
To use engagement in sports and physical activity at lunchtime and in after school clubs as a method of increasing pupils vocabulary and understanding of the world. Focus on further extending pupils' vocabulary in a real life, meaningful context that is within their range of experience. Focus on consolidating the language of position and direction	Planning for lunchtime and after school activities identify both technical and contextual language. All staff, including the externally sourced sports coach model technical and contextual language when teaching / supporting in physical activities and encourage pupils to use it, when talking about what they have done / learnt / how to improve their performance. EYFS is a language rich environment, both inside and out Training provided by English/PE subject leader includes Sports Coach 1 page guidelines produced for visiting PE providers/students/volunteers so that the focus on language is maintained, whoever leads or supports the session (EW/V W-M).	1 day per term for lead to plan and deliver training to TA's and sports coach. £180 x3	Attainment continues to rise in reading, writing and maths across the school, so that the gap to national levels closes. This includes outcomes in 'the World' and 'speaking' and 'understanding' in EYFS: GLD risen to 63% from 53% UW has risen from 35% to 48% CLL has risen from 43% to 65% Reading Y6 risen from 59% to 68% Writing has risen in Y6 from 70% to 75% Maths in Y6 has risen from 57% to 70% Observations show lunchtime and after school clubs are being used to teach language and conversations with pupils show they are able to use this when talking about what they remember and can do. Test scores show an improvement in responses to questions involving language of position and direction.	Sustainability and suggested next steps: Outcomes are rising year on year. This strategy is now embedded and no longer needs to be part of the SP spend.
